ORAL JUDGMENT

Rule. Mr Hemang Parikh, learned AGP waives service of the Rule for the respondents. At the request of the learned counsel for the

parties, matter is taken up for final disposal today itself.

This petition is filed praying for direction on respondent for carrying out the correction in the birth certificate. It is the say of the petitioner that he was born on 18th March 1938 at village Valod, Taluka Valod, District Surat. His birth was registered in the official record and the birth certificate was issued. However, due to inadvertence instead of Pravinchandra, which is his real name, Prabhodkumar was written in it. It is averred in the petition in all the subsequent official documents the name of the petitioner is shown as Pravinchandra. He has, therefore, approached the respondents and in particular respondent No.3. However, he has refused to correct the birth certificate since the petitioner had approached him after long time. According to the petitioner, he intends to migrate to US and therefore correction in the birth certificate is required.

I have heard Mr.Praful Patel learned advocate for the petitioner, Mr.Hemang Parikh, learned A.G.P., for the respondents. Mr Patel learned advocate for the petitioner has submitted that the respondent by virtue of provisions of Section 15 of the Registration of Birth & Death Act, 1969 has power for correction or cancellation of entry in the Register of Births and Deaths. To substantiate his submission, he has also placed reliance on the relevant provisions and the order of the learned Single Judge dated 9th October, 2006 rendered in Special Civil Application No. 19683/2006 and its allied matters.

> **"Section 15: Correction or cancellation of entry in the register of births and deaths.**
>
> If it is proved to the satisfaction of the Registrar that any entry of a birth or death in any register kept by him

under this Act is erroneous in form or substance, or has been fraudulently or improperly made, he may, subject to such rules as may be made by the State Government with respect to the conditions on which and the circumstances in which such entries may be corrected or cancelled correct the error or cancel the entry by suitable entry in the margin, without any alteration of the original entry, and shall sign the marginal entry and add thereto the date of the correction or cancellation."

<u>Rule 11</u> : Correction or cancellation of entry in the register of births and deaths :

1. If it is reported to the Registrar that a clerical or formal error has been made in the register or if such error is otherwise noticed by him and if the register is in his possession, the Registrar shall inquire into the matter and if he is satisfied that any such error has been made, he shall correct the error (by correcting or canceling the entry) as provided in Section 15 of the Act and shall sent an extract of the entry showing the error and how it has been corrected to the District Registrar of Births and Deaths.

2. In the case referred to in sub rule (1) if the register is not in the possession the Registrar, he/she shall make a report to the District Registrar of Births and Deaths and call for the relevant register and after inquiring into the matter, if he is satisfied that any such error has been made,make the necessary correction.

3. Any such correction as mentioned in sub rule 2 shall be countersigned by the District Registrar of Births and Deaths when the register is received from the Registrar.

4. If any person asserts that any entry in the register of births and deaths is erroneous in substance, the Registrar may correct the entry in the manner prescribed under Section 15 of the Act upon production by that person a declaration setting forth

the nature of the error and true facts of the case made by two credible persons having knowledge of the facts of the case.

5. Notwithstanding anything contained in sub-rule (1) and sub-rule (4) the Registrar shall make report of any correction of the kind referred to therein giving necessary details to the District Registrar of Births and Deaths.

6. If it is proved to the satisfaction of the Registrar that any entry in the register of births and deaths has been made fraudulently or improperly, he shall make a report giving necessary details to the officer authorized by the Chief Registrar by general or special order in this behalf under Section 25 of the Act an on hearing from him take necessary action in the matter.

7. In every case in which an entry is corrected or cancelled under this rule, intimation thereof should be sent to the permanent address of the person who has given information under Section 8 or Section 9 of the Act.

Mr Patel, learned advocate for the petitioner has further stated that the learned Single Judge of this Court in a decision rendered in Special Civil Application No.19683 of 2006 has laid down that the respondent has power to carry out the necessary correction in view of the provisions of Section 15 of the Registration of Births and Deaths Act, 1969 read with Rule 11 of the Rules framed thereunder. On perusal of the said judgment it appears that the learned Single Judge has held as under:-

> "4.3. In pursuance of the aforesaid provision of Act as well as Rules, the respondent authority shall carry out necessary changes in the register upon arriving satisfaction as to change of birth date/name on the basis of evidence laid by

the petitioners."

In view of the above, the respondent is directed that it shall consider the application of the petitioner for change in the name in the Birth Certificate and upon arriving at satisfaction as to the change in the name shall decide the application accordingly and intimate to the petitioner the decision within seven days thereafter.

With the aforesaid directions, the petition is allowed. Rule is made absolute. Direct Service is permitted.
